The teacher will purchase bulk supplies and necessary student resource materials such as:  
Pencils, ruler, glue sticks, tape, erasers, markers, etc.

**PHYS ED.** When coming to PE each student should ***wear clothes that are comfortable and easy to move around in.*** Try to avoid skirts and dresses on PE days. Gear more towards pants or shorts, and a comfortable shirt. This will make it easier to move around, and not have to worry about what you are wearing. Wear **running shoes** with good support and each student should be able to tie their own laces.

**We are continuing to encourage students to bring their sandwiches, drinks and desserts in reusable containers. You can help the school cut down on the amount of garbage generated at lunch time by following this practice wherever possible.**

When shopping for school clothing, please be reminded that our school’s code of conduct also refers to appropriate attire. We appreciate parental support in supplying children with suitable clothing for use in our school’s context.
